To be considered further, complaints which have not been resolved in the Pre-Filing Step must be submitted in writing as grievances by the employee to the designated agency representative within the thirty (30) calendar day time limits specified in Section 4/2/1/A. Grievances shall be signed and dated by the employee and/or the representative. The appropriate agency representative(s) will meet with the employee and his/her representative within twenty one (21) calendar days of the receipt of the written grievance and attempt to resolve the grievance. A written answer will be placed on the grievance following the meeting by the appropriate agency representative and returned to the employee and Union representative within seven (7) calendar days from the Step One meeting.

### D. Step Two:

If dissatisfied with the Employer's answer in Step One or the grievance has not been answered within the designated time limits, to be considered further, the grievance must be appealed to the designee of the appointing authority (i.e., Division Administrator, Bureau Director, or personnel office) within fourteen (14) calendar days from receipt of the answer in Step One or the date the answer was due, whichever is earlier. The onsite Union representative will forward appropriate copies of the grievance to the Union office, which will forward to the Employer representative at the agency level. The designated agency representative(s) will meet with the employee and a representative of the Union within thirty (30) calendar days from the receipt of the appeal to the Second Step to discuss and attempt to resolve the grievance. Following this meeting, the

written decision of the agency will be placed on the grievance by the Appointing Authority of the agency and returned to the grievant and his/her Union representative within thirty (30) calendar days from the Second Step meeting.

### E. Step Three:

- 1. Grievances which have not been settled or answered under the foregoing procedure may be appealed to arbitration by the Employer or the Union to the other party within thirty (30) calendar days from the date of the agency's answer in Step Two, or from the date on which the agency's answer was due, except grievances involving discharge or claims filed under s. 230.36, Wis. Stats., must be appealed within fifteen (15) calendar days or the grievance will be considered ineligible for appeal to arbitration. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the Second Step answers of the parties without prejudice or precedent in the resolution of future grievances. The issue as stated in the Second Step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the hearing. A pre-arbitration conference may be held to discuss witnesses and evidence to expedite the process in non-disciplinary cases.
- 2. The parties shall make a reasonable effort to select an arbitrator by mutual agreement. If the parties are unable to reach agreement on an arbitrator, the parties or party, acting jointly or separately, shall request the Wisconsin Employment Relations Commission to submit a panel of arbitrators. The parties shall select one (1) arbitrator from the panel by alternately striking names until only one (1) remains. The party striking first shall be determined by the toss of a coin, with the loser striking first.
- 3. Where two (2) or more grievances related to the same subject are appealed to arbitration, the parties may agree to consolidate the grievances for hearing. On grievances where agreement to consolidate is not reached, a separate arbitrator shall be selected for each grievance.
- 4. a. The cost of the arbitrator and the expenses of the hearing including a court reporter and transcript, if requested by either party, will be shared equally by the parties.
- b. Grievant and Union representative will attend arbitrations without loss of pay. It is intended that work schedules will be adjusted to coincide with the arbitration hearing except in unusual situations. The grievant's or Union representative's work schedule will not be changed to make the arbitration date fall on a day off.

- c. When an employee is subpoenaed by either party that employee may appear in pay status. To avoid the payment of overtime, witnesses may have their work schedules changed to be in pay status for the arbitration.
- 5. On grievances where the arbitrability of the subject matter is an issue, a separate arbitrator may be selected to determine the question of arbitrability unless the parties agree otherwise. Where the question of arbitrability is not an issue, the arbitrator shall only have authority to determine compliance with the provisions of this Agreement.
- 6. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which in effect would grant the Union or the Employer any matters which were not obtained in the negotiation process. The decision of the arbitrator will be final and binding on both parties of this Agreement.
- 7. When the arbitrator declares a bench decision, this decision shall be rendered within fifteen (15) calendar days from the date of the arbitration hearing. On discharge and s. 230.36, Wis. Stats., hazardous duty cases, the decision of the arbitrator shall be rendered within fifteen (15) calendar days from receipt of the briefs of the parties or the transcript in the event briefs are not filed. On all other cases the decision of the arbitrator shall be rendered within thirty (30) calendar days from receipt of the briefs from the parties or the transcript in the event briefs are not filed.

### **Section 3** Time Limits

- 4/3/1 A. Grievances not appealed within the designated time limits in any step of the grievance procedure will be considered as having been adjudicated on the basis of the last preceding Employer answer. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.
- B. If the Employer representative with whom a grievance appeal must be filed is located in a city other than that in which the grievance was processed in the preceding step, the mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a city other than that in which the Employer representative works, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period.
- C. The Employer and the Union shall make every reasonable effort to schedule arbitration hearings in a timely manner.

### **Section 4 Special Arbitration Procedures**

4/4/1 In the interest of achieving more efficient handling of routine grievances, including grievances concerning minor discipline, the parties agree to the following special arbitration procedures. If either of the parties believes that a particular case is precedential in nature and therefore not properly handled through these special procedures, that case will be processed through the full arbitration procedure in subsection 4/2/1/D./1. through 4/2/1/D./7. Cases decided by either of the following methods of dispute resolution will not be used as precedent in any other proceedings.

For purposes of both of these special arbitration procedures, arbitrators will be mutually selected by the parties to serve for the term of the Agreement.

### A. Expedited Arbitration Procedure

- 1. Cases presented to an arbitrator ordinarily will consist of campus, local institution or work site issues, and other individual situations to which the parties mutually agree.
- 2. Four (4) cases will be grouped by institution and/or geographic area and heard in that area to the extent possible.
- 3. The presentation of each case by each party will be limited to a preliminary introduction, a short reiteration of facts, and a brief oral argument. No briefs or transcripts will be made. If witnesses are used to present facts, there will be no more than two (2) called by each party. If called to testify, the grievant is considered as one of the two witnesses.
- 4. The arbitrator will give a bench or other decision within five (5) calendar days. The arbitrator may deny, uphold, or modify the action of the Employer. All decisions by the arbitrator will be final and binding.
- 5. In the event the arbitrator issues a written decision, such decision will identify the process as non-precedential in the heading or title of the decision.
- 6. The costs of the arbitrator and the expenses of the hearing will be shared equally by the parties. The grievant and Union representative will attend the arbitration without loss of pay.

### **B.** Umpire Arbitration Procedure

- 1. The parties will meet with the arbitrator no more than once every six (6) months.
- 2. The cases presented to the arbitrator will consist of campus, local institution, or work site issues, and other individual situations to which the parties mutually agree.

- 3. Such cases will be given an initial joint screening by the parties. Either party may provide the other with an initial list of the cases which it wishes to be heard on a scheduled hearing date at least forty-five (45) calendar days prior to that hearing date. This list may be revised upon mutual agreement of the parties at any time up to fifteen (15) calendar days prior to the hearing date.
- 4. Joint statements of fact and the issue will be presented by the parties, in writing, to the arbitrator at least seven (7) calendar days prior to the scheduled hearing date, unless the arbitrator agrees to fewer days for that particular hearing date. If contract language is to be interpreted in any grievance heard under this procedure, a copy of the Agreement will also be provided to the arbitrator prior to the hearing.
- 5. Whenever possible, five (5) cases will be grouped by campus, institution and/or geographic area and heard in that area. The hearing site may be moved to facilitate the expeditious handling of the day's cases.
- 6. The presentation of each case in chief will be limited to five minutes by each party with an opportunity for a one minute rebuttal and/or closing. No witnesses will be called, although the Arbitrator may ask questions of those present. No objections will be allowed; no briefs or transcripts will be made.
- 7. The arbitrator will render a final and binding decision on each case at the end of the day, unless the parties agree to a different timeframe for the issuance of the arbitration award. The arbitrator may deny, uphold or modify the action of the Employer.
- 8. The cost of the arbitrator and the expenses of the hearing will be shared equally by the parties. The grievant and Union representative will attend the arbitration without loss of pay.

### **Section 5** Representation

4/5/1 An employee may privately consult with his/her representative during working hours for a reasonable period of time relative to a grievance matter by first contacting his/her supervisor. The employee's supervisor will arrange a meeting to take place as soon as possible for the employee with his/her representative through the representative's supervisor.

### **Section 6 Retroactivity**

4/6/1 A. Settlement of grievance may or may not be retroactive as the equities of particular cases may demand. Except for administrative errors relating to the payment of wages, the maximum period of

retroactivity allowed shall be a date not earlier than thirty (30) calendar days prior to the date of initiation of the written grievance in Step One unless the circumstances of the case made it impossible for the employee to know he/she had grounds for such a claim prior to that date, in which case the retroactively shall be limited to a period of thirty (30) calendar days prior to the date the grievance was initiated in writing.

- B. 1. Employees who voluntarily terminate their employment will have any grievances pending at the time immediately withdrawn and will not benefit from any later settlement regarding such grievance or group grievance on the issue, except as provided in 2., below.
- 2. Employees who retire may benefit from a later settlement of a union or group grievance pending at the time of the retirement, excluding grievances related to disciplinary actions.

### **Section 7 Union Representatives**

- **4/7/1** A. The Union may designate a total of up to one hundred (100) Union representatives who are members of the bargaining unit for the bargaining unit.
- B. The Union shall designate the jurisdictional areas for the Union representatives in each employing unit. Jurisdictional areas will be basically by employing unit, but may include other employing units within the area. Representatives will be designated consistent with the geographic locations and number of employees in the work unit (worksite). Such designations will be made in a manner as to avoid unnecessary travel.
- C. The Union shall notify the Employer in writing of the names of the Union representatives, and their respective jurisdictional areas within the thirty (30) calendar days after the effective date of this Agreement. Any changes thereto shall be forwarded to the Employer by the Union as soon as the changes are made.
- D. A chief Union representative may be designated by the Union for specified jurisdictional areas. The name of the designated chief Union representative will be submitted to the Employer in writing.

### **Section 8 Union Grievances**

4/8/1 The Union shall have the right to file via an officer of the bargaining unit who is a member of the bargaining unit a grievance when any provision of this Agreement has been violated or when the Employer interpretation of the terms and provisions of this Agreement lead to a controversy with the Union over application of the terms or provisions of this Agreement. Such grievances must be designated as Union

grievances at the initial step and must comply with the time limits previously set forth in this Article. Union grievances may be filed at Step One of the grievance procedure. However, where more than one (1) employing unit is involved in the Union grievance, the grievance may, upon mutual agreement with the Employer's Second step representative, be filed directly to Step Two.

### **Section 9 Group Grievances**

4/9/1 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance. Only one (1) of the grievants shall represent and serve as spokesman for the entire group.

### **Section 10 Processing Grievances**

- **4/10/1** A. Union representatives and grievants will be permitted a reasonable amount of time to process and investigate grievances during their regularly scheduled hours of employment without loss of pay.
- B. The Employer is not responsible for any travel or subsistence expenses incurred by grievants or Union representatives in the processing of grievances.
- C. Scheduling of grievance meetings shall be as mutually agreed by the parties, however such scheduling shall not unreasonably delay the meetings.

### **Section 11 Problem Solving**

**4/11/1** By mutual agreement, Union representatives may engage in problem solving with management at any step of the grievance process. It is intended to address the underlying cause of the problem but not intended to interfere with the grievance procedure itself.

### **Section 12 Supervisory List**

**4/12/1** When requested by the Union, the Employer will supply a list of supervisors responsible for handling grievances.

### **Section 13 Discipline and Discharge**

- 4/13/1 A. The parties recognize the authority of the Employer to suspend, demote, discharge or take other appropriate disciplinary action against employees for just cause. An employee who alleges that such action was not based on just cause, may appeal a demotion, suspension, or discharge, taken by the Employer beginning with Step Two of the grievance procedure. Written reprimands and other discipline matters shall begin with Step One of the grievance procedure. When discipline is taken against an employee, the employee will receive a copy of such action. At the same time a copy will be mailed to the President of <u>SEIU District</u> 1199W/United Professionals.
- B. An employee may choose a Union representative from a list provided by the Union, per 4/67/1/B., for the specific worksite, or a Union staff member, in the investigatory process if he/she has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her. In unusual situations where delay is not possible and the Union representative is not immediately available, <u>SEIU</u> District 1199W/<u>UP</u> may be contacted to provide representation. By mutual agreement between <u>SEIU</u> District 1199W/<u>UP</u> and the appointing authority or designee, a Union representative may be selected from a different jurisdiction.
- C. An employee may choose a Union representative from a list provided by the Union, per 4/67/1/B., for the specific worksite, or a Union staff member, in the predisciplinary process. In unusual situations where delay is not possible and the Union representative is not immediately available, <u>SEIU</u> District 1199W/<u>UP</u> may be contacted to provide representation. By mutual agreement between <u>SEIU</u> District 1199W/<u>UP</u> and the appointing authority or designee, a Union representative may be selected from a different jurisdiction.
- D. The Employer shall give advance notification of the time, date, location, and a brief statement of the issue to the employee and his/her selected Union representative regarding the investigatory and/or predisciplinary meeting. If a Union representative has not been selected by the employee, all notices will go to a chief Union representative where one exists. In the absence of a chief Union representative and a selected Union representative, the notice will be submitted to <u>SEIU</u> District 1199W/<u>UP</u>. Notification will be provided in writing except in unusual situations.
- E. Whenever feasible, the investigatory and/or predisciplinary meetings may be delayed up to seventy two (72) hours for the employee to arrange for union representation. The appointing authority or designee cannot substitute or request substitution of a Union representative to unreasonably avoid the seventy two (72) hour delay.

- F. When substitution of a Union representative is made, the Union will notify management as soon as possible. Substitutions will not result in any unreasonable delay.
- G. Disciplinary action cannot be taken during an informal counseling meeting, unless the Employer has afforded the employee with the opportunity to have a Union representative present. The occurrence of an informal counseling meeting shall not be identified by the Employer after the meeting as a step in the disciplinary process. However, the occurrence of such a meeting can be used by the Employer to demonstrate that the employee had been made aware of behavioral problems which resulted in a subsequent disciplinary action(s) against the employee.
- H. The parties agree that discipline taken in accordance with Article IV should be corrective, not punitive. The parties acknowledge that severe discipline, up to and including discharge, may be appropriate in some cases.
- I. Removal of records of work rule violations from the employee's personnel file(s) shall be in accordance with 12/3/1/D.

### **Section 14 Exclusion of Probationary Employees**

**4/14/1** Notwithstanding Section 13 above, the retention or release of probationary employees shall not be subject to the grievance procedure.

### Section 15 Informational Note: Prohibited Subjects of Bargaining

**4/15/1** It is recognized that complaints of employees concerning prohibited subjects of bargaining under s. 111.91, Wis. Stats., or Article III of this Agreement are not grievable and that the proper forum for the resolution of such complaints by employees, to the extent reviewable by law, is before the Personnel Commission.

### **Section 16 Complaint Procedure**

- **4/16/1** A. A complaint is any matter of dissatisfaction of an employee with an aspect of a bargainable condition of employment which does not involve a grievance as defined in this contract. However, a complaint shall not include any matter involving job instruction or job assignment.
- B. A complaint may be processed up to and including Step Two of the grievance procedure, subject to the same time limits and regulations contained in such two steps.

- C. It is expressly understood that complaints may not be appealed to arbitration.
- D. Once a complaint is decided at the Step Two of the procedure, the same complaint may not again be filed by any other member of the bargaining unit at the same location or the complainant during the term of the Agreement unless there is a significant change in circumstances.
- E. When an employee uses the grievance form for the purpose of filing a complaint, he/she should clearly identify the problem and label the form to indicate that it is not a grievance but a complaint so that there will be no misunderstanding that no provision of the Agreement will be quoted other than the section relating to the complaint procedure.

### **Section 17 Concentrated Performance Evaluation**

- **4/17/1** A. Employees will be placed on a concentrated performance evaluation program only after the Employer has documented the reasons for such action and with the prior approval of the Department head or his or her designee(s).
- B. At the time an employee is notified that he/she will be placed on a concentrated performance evaluation program, the Union President will receive a copy of the formal written notice of the action.
- C. At the request of the employee, a Union representative may attend the meeting in which formal notice of performance problems will be explained to the employee. Selection of a Union representative shall not unreasonably delay this scheduled meeting.
- D. Neither the notice to the employee nor the placement of the employee on such a program is grievable under this Agreement until such time as the employee receives a written notice of a disciplinary action under this program. When an employee is subjected to disciplinary action, the principle of just cause shall apply.

In the event the Employer has reason to believe that an employee is abusing the sick leave privilege or may not be physically fit to return to work, the Employer may require a medical certificate or other appropriate verification for absences covered by this Section. When an employee must obtain such medical certificate during his/her regularly scheduled hours of employment, he/she shall be allowed time off without loss of pay or sick leave credits to obtain the certificate. Employees will be permitted to use earned holidays, compensatory time off, and/or annual leave in lieu of sick leave when they so request.

converted at current value and credited to the employee's account. The conversion credits once recorded shall be used on behalf of the employee or surviving spouse to offset the cost of the monthly health insurance premiums as provided under the provisions of s. 40.05(4)(b), Wis. Direct premium payment to the insurer shall be made by the Employer on behalf of the laid off employee. Premium payments under this provision shall be limited to a maximum period of five (5) years from the date of layoff or shall cease the first of the month following the employee's acceptance of any other employment, whichever occurs first. At the time of reinstatement or restoration unused cash credits shall be reconverted to sick leave at the same rate used for the original conversion and restored to the employee's sick leave account.
- E. Separation from the service shall cancel all unused accumulated sick leave. After the effective date of this Agreement when a person who is an employee with permanent status in class is laid off or resigns, any unused accumulated sick leave shall be restored, if he/she is re-employed by the same agency or is rehired by any other agency of the State within three (3) five (5) years.

Employees who become bargaining unit members after the effective date of this Agreement and have unused sick leave accumulated in their sick leave account, shall have the amount accumulated in their account as of the date they become bargaining unit members, carried over under this Agreement. This Section shall not be used to recompute the amount of sick leave accumulated in an employee's account prior to the effective date of this Agreement, or prior to the date an employee becomes a bargaining unit member.

## H. Supplemental Health Insurance Conversion Credits Upon Retirement

The Employer agrees to provide the following supplemental health insurance conversion credits for permanent employees who retire from the service under the following conditions:

- 1. The credits shall be based upon an employee's full number of years of adjusted continuous service on the date of retirement.
- 2. The credits shall be calculated based on the employee's sick leave balance on the date of retirement.

For employees who retire with at least fifteen (15) full years of adjusted continuous service, the Employer shall match each one (1) hour of accumulated sick leave up to a maximum of fifty two (52) hours per year multiplied by the number of years of service through twenty four (24) years. For years of adjusted continuous service over twenty four (24) years, the Employer shall match each (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

For employees who have earned all of their adjusted continuous service while having protective occupation status and who retire with at least fifteen (15) full years of adjusted continuous service, the Employer shall match each one (1) hour of accumulated sick leave up to a maximum of seventy eight (78) hours per year multiplied by the number of years of service through twenty four (24) years. For years of adjusted continuous service over twenty four (24) years, the Employer shall match each (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

Employees who have earned part of their adjusted continuous service while in protective occupation status shall have their credits prorated in accordance with these provisions:

3. If, at the time of retirement, the employee has adjusted continuous service of less than twenty five (25) years, multiply the number of years as general by fifty two (52) hours. Multiply the number of years as protective by seventy eight (78) hours. Combine these totals to determine the maximum matching credits.

4. If, at the time of retirement, the employee has adjusted continuous service of over twenty four (24) years, determine the proration based on the first twenty four (24) years of service and then add one hundred and four (104) hours for each year of adjusted continuous service over twenty four (24) years.

Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement shall receive five hundred (500) hours credited to this account upon retirement.

Employees shall be required to provide medical documentation of such illness or injury to the Employer on forms provided by the Employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this contract shall also be required to provide supporting medical documentation.

Access to these credits for payment of post retirement health insurance premiums shall occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) have been exhausted.

In the event an employee returns to a position covered by this Agreement after having retired, the credits in this account shall be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of adjusted continuous service and sick leave accrual.

At the employee's option, these credits shall be converted using the employee's base pay rate at the time of retirement or the average of the employee's base pay rates during the employee's three highest earnings years.

For informational purposes, a chart portraying this benefit is found in Appendix J.

The Employer will inform the Union of the classes and subtitles in which the layoffs are to occur and the approximate number of positions to be deleted. The Union may also request a meeting with management after notification of the impending layoff

for the purpose of a mutual exchange of information then available on the matter. Upon receipt of such request, management shall have seven (7) calendar days to schedule and conduct such meeting.

- 2. The layoff group shall be determined by classification and subtitle as set forth in job specifications (except as provided by 7/7/1/C.).

- 2. With the agreement of the Employer, a more senior employee may volunteer to be separated from employment in lieu of the layoff of a less senior employee, with the guarantee that the Employer will not challenge the more senior employee's eligibility for unemployment compensation unless that employee, at a later point in time, refuses a reasonable offer of re-employment.
- 3. Limited term employees in the same class and subtitle within the employing unit (other than student employees) who are not in federally funded positions shall be laid off prior to laying off bargaining unit employees.

In the event that the membership of the Union changes the dues rate, the Union will provide the new dues rate to the Employer. The Employer will implement the new dues rate within thirty (30) days from receipt of the notice.

These dues rates apply to A and B payrolls only. No dues are deducted from C payrolls.

#### SEIU District 1199W/UP Union Dues

Each member shall pay monthly an amount equal to two (2) times their hourly rate of pay multiplied by the full time equivalent (FTE) of record for their position, or \$12.00, whichever is greater.

Members who do not have an FTE associated with their position (ie. Because they work a minimum numbers of hours, or are considered "pool", or their employer does not use the term FTE, etc.) will have their dues figured based upon the average number of hours per payroll period that they worked during the last quarter.

Some examples of how the dues formula works are as follows:

Hourly Wage	<u>X</u>	<u>2</u>	<u>X</u>	FTE*	≡	Monthly Dues
<u>\$10.00</u>		2		<u>.4</u>	<u>\$8.00</u>	(this person's dues would be the minimum of \$12.00)
<u>\$10.00</u>		<u>2</u>		<u>.6</u>	\$12.00	
\$10.00		<u>2</u>		<u>1.0</u>	\$20.00	
\$12.00		<u>2</u>		<u>.5</u>	<u>\$12.00</u>	
\$12.00		<u>2</u>		<u>1.0</u>	<u>\$24.00</u>	
<u>\$16.00</u>		<u>2</u>		<u>.4</u>	<u>\$12.80</u>	
\$16.00		<u>2</u>		<u>.6</u>	<u>\$19.20</u>	
<u>\$16.00</u>		<u>2</u>		<u>1.0</u>	\$32.00	
\$24.00		<u>2</u>		<u>.5</u>	\$24.00	
<u>\$24.00</u>		<u>2</u>		<u>1.0</u>	\$48.00	

<sup>\*</sup>FTE means full time equivalent and is calculated to the nearest tenth with full time being equal to 1.0

Changes in your hourly wage and FTE of record will result in a change in your dues.

Inactive, unemployed or members-at-large may retain their membership with annual dues set at twenty-five dollars (\$25.00) per year.

Retired members have the option of joining the Retired Members Chapter with annual dues at six dollars (\$6.00) per year.
